

About Winsonda company profile

WINSONDA OIL FILTRATION SOLUTIONS was founded in 2009, is a professional supplier of leading technology for oil contamination control. We specialize in providing advanced purification units to meet our customers' needs for high cleanliness lubricants and pursue the establishment of proactive maintenance programs.

Winsonda's core filtration technology helps customers easily remove contaminants (particles, water, sludge, varnish, acids) from turbine oils, insulating oils, hydraulic fluids, etc. It has been widely used in many different applications such as petrochemicals, air separation, power plants, aerospace, military, steel, shipbuilding, chemical, automotive, construction machinery, and hydraulic test stands. Our products have won wide acclaim from our customers for their excellent performance, and some of them have been designated as standard products in specific fields.

With highly qualified R&D and production team and oil testing laboratory, WINSONDA has the strength to provide accurate data analysis and effective solutions to our customers. At present, we have 37 authorized invention and utility patents in the field of oil purification. A large number of successful cases show that our products play an important role in helping customers to extend the service life of lubricants, reduce equipment failure rate and lower maintenance costs. It has also made outstanding contributions to resource conservation and sustainable economic development.

DAS CERTIFICATION

Occupational Health and Safety Management System Certificate of Approval

This is to certify that the OHSMS of
Kunshan Weishengda Environmental Protection Equipment Co., Ltd.
 Unified Social Credit Code: 9132058368812239F

Registration Address: No.8 Workshop, No.2159, Beimen Road, Yushan Town, Kunshan, Jiangsu
 Produce Address: No.4 & No.8 Workshops, No.2159, Beimen Road, Yushan Town, Kunshan, Jiangsu

Has been assessed and found to meet the requirements of
ISO 45001:2018
 This certificate is valid for the following scope of operations:
 Located at No.4 & No.8 Workshops, No.2159, Beimen Road, Yushan Town, Kunshan, Jiangsu, Kunshan Weishengda Environmental Protection Equipment Co., Ltd. is engaged in the Design, Manufacture of Industrial Oil Purifiers and Cryogenic Evaporators; Sales of Oil Testing Equipment

Date of Certificate Issue: Mar, 19, 2020
 Certificate Valid Until: Mar, 18, 2023
 Certificate Number: **HS182003003**

The validity of the registration will be continued only when the organization pass the annual surveillance audit.
 Check the validity of certificate at www.cma.gov.cn or www.das-china.com

EC Examination Certificate

This is to certify that
Kunshan WSD Environmental Protection Equipment Co., Ltd.
 No. 22 Building, CECLC Circular Economy Industry Base No. 777 Yuyang Road, KSNZD Zone, China

Has had a range of Electrostatic Oil Purifiers examined to the Machinery Directive 2006/42/EC, as amended and the Low Voltage Directive 2014/35/EU.

With reference to model **WJD-50**

Manufactured by:
Kunshan WSD Environmental Protection Equipment Co., Ltd.
 No. 22 Building, CECLC Circular Economy Industry Base No. 777 Yuyang Road, KSNZD Zone, China

- The technical file contains all the relevant information
- Having verified that the appropriate tests have been conducted
 - The standards and imposed standards have been applied correctly.
 - The example representing series production of the item, complies with the essential health and safety requirements of the Directive 2006/42/EC, as amended.
 - The technical file contains all the information to indicate the following models in the certification: WJD-5, WJD-15, WJD-18, WJD-30, WJD-50, WJD-100, WJD-150, WJD-200, WJD-250 and WJD-300
 - Compliance with EN 60204-1:2000+A1:2009 gives compliance with the Low Voltage Directive 2014/35/EU.

Certificate Number: 5728010618
 Date: 15/09/2016

Signed for Safenet Limited 

Machinery Directive Number 1674

Peter Michol Technical Manager

This Certificate remains the property of Safenet Ltd and will be returned to them if so requested. Safenet will review the continued compliance of the machinery at a 1 yearly cycle to check for changes in the state of the art.

Certificate of Registration

The Governing Board of
Q.A. International Certification Limited
 hereby grants to:
Kunshan Weishengda Environmental Protection Equipment Co., Ltd.
 Unified Social Credit Code: 9132058368812239F
 Registration No. QAS/C/170095

(hereinafter called the Registered Company the right to be listed in the Directory of Registered Companies in respect of the services listed below. These services shall be offered by the Registered Company at or from only the active business address given below in accordance with the quality management system in compliance with ISO 9001:2015.

Business License Address:
Workshop 006, No.299, Yuyang Road, Yushan Town, Kunshan City, Jiangsu Province, P.R. China

Active Business Address to which this Certificate is registered:
Workshop 006, No.299, Yuyang Road, Yushan Town, Kunshan City, Jiangsu Province, P.R. China

Approved Scope to which this Certificate refers:
**1. The Design and Manufacture of Industrial Oil Purifiers and Low Temperature Evaporators.
 2. The Sales of Oil Detecting Instruments.**

(Please note that the above scope represents the certified activity of the named organization and as such, the organization may undertake additional activities that are not covered under this certification).

Signed for and on behalf of the Board

 CHIEF EXECUTIVE
 SCHEME MANAGER

Certificate Issue Date : 14th October 2021 - Certificate Renewal Before : 13th October 2022
 Date of Initial Registration : 13th August 2017 - Re-Certification Before : 13th October 2024

This Certificate of Registration is granted subject to the Regulations approved by the Board.
 The information of this certificate can be searched on the website of CMA (CMA.CMA.GOV.CN).
 The certified organization should apply for regular audits to maintain its qualification.
